The MobileLinc credential on your iPhone device named Enrollment Test has been revoked.			
Self-Administration Actions			
Revoke my MobileLinc credential Enroll for a MobileLinc credential			
Logout			

h) This completes the process of revoking the credential. If you are finished using the MobileLinc Credential Portal, select "**Logout**".

## Deleting the Credential Identity from the Entrust Identity App

To delete the credential identity from the Entrust Identity app on the mobile device. (We will be using the Android device in this example, but same directions apply).

a) For an Android and Apple device, Swipe left on the right pointing arrow to the right of the Credential name and select the Red Delete trash can.

b) A popup will display asking "Are you sure you want to delete this credential name?", click "OK".

c) Enter Identity PIN for Smart Card will display. Enter the PIN and click "Allow". The credential will be successfully deleted.
